On October 12, 1914, at Ottawa, Miss Gertrude Cosgrove, graduate of Ottawa General Hospital, class '09, to Mr. James Cullen, of Almonte, Ontario.

On October 26, 1914, at Ottawa, Miss Helen Butler, graduate of Ottawa General Hospital, class '13, to Dr. Horace Leggo, Ottawa.

### PUBLISHERS' DEPARTMENT

#### COURSES IN MECHANICAL TREATMENTS.

Because the quality of your hospital training means so much to your life that you cannot afford to pursue your studies in any but the inspiring atmosphere of efficiency, scientific investigation places before you the opportunities in the field of Physiotherapy, e.g., Swedish "Ling" System of Massage, Remedial and Corrective Gymnastics, Medico-Mechanical Zander Gymnastics, Electro and Hydro-therapy, Anatomy, Physiology, Pathology, and Hygiene. The theoretical as well as the practical work is directed by a faculty of acknowledged ability and conforms to the State laws of licensure in Massage and Allied Branches. The winter class opens on January 20th; the spring class, April 7th, 1915. If you are interested in a remunerative and desirable profession, write to the Pennsylvania Orthopaedic Institute and School of Mechano-therapy, Inc., 1709-1711 Green St., Philadelphia, Pa., Max J. Walter, M.D., Sup't.

#### A FOUR MONTHS' COURSE.

The Fall Class at the School of Medical Gymnastics and Massage closed November 30th. The Winter students were present when the diplomas were distributed. The work has been exceedingly interesting on account of the great diversity of patients. The clinics are more crowded than ever before in the history of the school. The intercourse between the Alumni Association and the students has been very lively. Excellent medical lectures have been delivered by provision of the Alumni Association. The two teachers that left for Europe in the Spring have returned with new ideas and methods.

For further information address Gudrun Friis-Holm, M.D., 61 East 86th Street, New York, N.Y.
